Saint Anthony School Kailua

Volunteer Service Log

St. Anthony School has a Fundraising Fee of $200 per family. A family may elect to pay the fee upfront and/or have it factored into their FACTS payment plan by September, or they may chose to volunteer at the school for PTSG or class events to work off the fee. Each hour of volunteer service is credited as $10.00 off of the fee. Parents who have volunteered 20 hours of service will be credited the full $200. Those with less than 20 hours will be credited for their hours of service and the remaining hours will be added to your tuition fees.

To receive credit for your volunteer service, you **must** complete this form and submit it to the school office by May 2, 2016. Thank you for your service and contribution to our school family.
