

Beginning
September 18th,
Every Friday!

recycle & rediscover power to make a difference

Clean recyclable cans and plastic bottles (screw tops off) are requested.

Separate cans from bottles.

Bring your bagged recyclables to the school office door (court side).

Watch for update on recycling revenue!

Questions? Ask the staff in the school office!

Mahalo!

It's simple. Saint Anthony School will begin a weekly recycling collection of plastic and aluminum beverage containers.

There's power in careful regard for the natural resources used in their making.

All recycling revenue will go to scholarships for our students - earning for them the power of a good education.
