St Anthony School

October 13, 2017

Principal Olsen's Message

Report cards were sent out today, marking the end of the First Quarter. Please review and discuss them with your children, and sign the envelope to be returned to school on Monday.

Thank you to the Sixth Graders for a wonderful Mass today! Congratulations to the students in 4th – 8th grade who made the Honor Roll having achieved a GPA of 90% or higher.

Tuesday, October 17 will be the first official day of standardized testing for students in grades 2-8. Testing will begin promptly at 8am and no tardy students will be allowed in the classroom during testing. Please make sure that your children get a good sleep the night before and eat breakfast!

Because of your generosity, St. Anthony School has earned \$3023.00 from the Give Aloha fundraiser! Mahalo for your support!

On Saturday, October 14, the 6th graders, led by Mr. Ian Anderson (Nui, Malu, Aukai, Anuheia and La'akoa's dad) will gather at the ELC to repair and build new picnic tables and benches starting at 11am. Thank you to Mr. Anderson for volunteering and coordinating this project for our keiki. If you are interested in helping, please bring your tools and paint brush and come on down!

Don't forget the Student Council and Middle School's Car Wash on Friday from 3 to 5pm!
