What is Tuition Refund Policy (TRP)?

Saint Anthony School is dependent upon collecting the full tuition from all students for its operations. The obligation to pay the full tuition and fees for the entire academic year is unconditional, and no portion of such tuition or fees so paid or outstanding will be refunded or canceled notwithstanding the absence, withdrawal, or dismissal from St. Anthony School of the child during the academic year.

The Dewar Tuition Refund Policy (TRP) is tuition insurance that provides the school and/or parent with partial tuition coverage in the event a student does not complete the school year due to an absence, withdrawal or dismissal. Families electing to pay tuition through the monthly or semi-annual payment schedules are required to purchase the Dewar Tuition Refund Policy (TRP). The non-refundable fee of \$200 is due at the time of enrollment. Families who elect to pay the tuition with a one-time payment are not required to purchase TRP, however, without it a refund **will not** be issued.

The Tuition Refund Policy becomes effective on August 1st in the event of the student's inability to attend school due to a covered medical reason. The non-medical coverage (voluntary withdrawals and dismissals) does not become effective until the student has attended fourteen consecutive calendar days (including weekends) commencing with the student's first class day of attendance in the academic year.

This ruling is necessary as the School has continuing expenses. (See TRP brochure for more information).

Please read the Tuition Agreement Contract carefully for additional information. The Tuition Agreement Contract must be submitted with the Non-Refundable Comprehensive Fee, and TRP if applicable.
